Subject: UOG POC: Updates and New Matters Requested by 7/5 - IOGCC Briefing Book

Good afternoon, UOG POC:

We are preparing for our July 19 meeting of the EPA-IOGCC Task Force. Accordingly, I request your review of the attached IOGCC Briefing Book and ask that you add any revisions or new matters to the Book by **Friday, July 5**. You may send me red-lined edits in the attached book (or in a separate Word doc) or in the body of an email. Whatever is easiest for you. Please coordinate within your office and region, as necessary.

You provided updates at the end of April/early May, so I am hopeful that this process will not be too time-consuming for you. You may not have any updates to add. If you have *new* matters to add, I am happy to work with you to write them up. Just let me know.

Thank you for your continued engagement in this effort. I appreciate all your time and energy and I am certain these updates will add value to our meeting next month and the broader EPA-IOGCC relationship. This Briefing Book is also so helpful to brief folks on general, oil and gas matters (outside the IOGCC context).

Thank you, Megan
